THE MAJESTIC RANGE

The Majestic is a spectacular contemporary pool range, perfectly suited to the modern home. With a sleek, smooth design, the Majestic is a stunning and diverse pool.

The main feature of the Majestic, is its grand, wide entry steps providing the user with a sense of luxury when paired with generous seating. The entry does not encroach on the swimming area, creating a practical area for swimming laps or simply taking a relaxing dip. This is the benchmark in rectangle pool shapes and comes in a range of sizes to suit your outdoor space.
