THE BARRIER REEF RANGE

One of the most versatile and popular designs, the Barrier Reef has proven to be a winner for meeting family lifestyle needs.

Barrier Reef Pools' continuing research and development has resulted in refreshing ideas and new features being incorporated into this design - perfect for family fun, swimming laps or just lazing around in the sparkling waters of your pool.

Rest easy with the unique grip rail positioned around the pool at water level, perfect for little swimmers to hold onto as they build their swimming confidence.
