Custom Designed to Suit You and Your Home

We pride ourselves on our custom projects. We work alongside our clients to create a structure that complements the existing features of their home and provides the lifestyle benefits they are hoping to achieve.

Fully Engineered Plans and Council Approval

Our engineers are skilled in drawing up plans for council. Our experience with this and the relationships we have, ensure speedy turnarounds and a structure that is built to Australian Standards.

Entertain All Year Round, Rain, Hail Or Shine

Designing a structure that allows you to make the most of your outdoor space, is a priority so that you can love your life outdoors year-round.

Fully Qualified Trades People

We only employ fully licensed and qualified trades people to ensure the highest quality craftsmanship and construction.

TIMBER/STEEL OR A COMBINATION WE'RE FLEXIBLE

By offering both timber and steel alternatives, Australian Outdoor Living can help to achieve the desired look without any compromise. Perhaps a steel pergola and dark timber deck is the dream design? We can help! Our designers are experienced and knowledgeable on both options and can neutrally help you to decide on the best option for you and your home.

Timber Structure

There's nothing like the beauty and warmth of timber, outdoors. The versatility of timber allows it to perfectly complement modern or more traditional style homes. All our timbers are sourced in the most environmentally conscious way possible. Our durable and beautiful hard woods are sourced from managed forests, while our treated pine is plantation grown

Steel Structure

Australian Outdoor Living steel structures are strong, durable and ideal for the harsh Australian climate. With their low maintenance nature and exceptional span capacity, steel pergolas and verandahs are the perfect bold statement.

OUR QUALITY PERGOLAS, VERANDAHS & DECKING

Create a harmonious living space through the seamless transition from indoors to outdoors. Anything is possible with a custom built design from Australian Outdoor Living. A variety of options and the experience of our creative designers means a unique build every time and a project that complements your home and its existing features.

Timber Structure Designs

Australian Outdoor Living Pergolas & Verandahs

Enhance the style, value and functionality of your home with the addition of a pergola or verandah. All of our timber solutions are custom designed to suit your individual needs, giving you the benefit of flexibility and choice. With a guaranteed build time of only 4 weeks from council approval, you won't have to endure a long, drawn out process.

Australian Outdoor Living Carports

Carports provide essential protection for cars, bikes and caravans against the harsh Australian elements. With a carefully planned carport - including a vast array of materials, colours and finishes to choose from - we can help you make the right choice to suit your needs, your home and your surroundings.

Australian Outdoor Living Decking

Extend your day to day living space by flowing your indoors outdoors with stylish and highly versatile decking. Australian Outdoor Living's decking projects can lend an organic feel to an urban environment, whilst still remaining sleek, contemporary and functional.
